Members Appreciation Night and Membership Drive

“Outstanding and Excellent”

We would like to take this opportunity to thank everyone who attended the Florida Keys Contractors Association Members Appreciation Night and Membership Drive on Friday, December 12th.

Thanks for your overwhelming support and the turnout of people representing a wide range of professions. There were contractors from locations throughout the keys as well as our special guest, newly elected Sheriff Bob Peryam and his

wife Cindy. With the donations from everyone that attended, we were able to present a large amount of toys to the Monroe County Sheriff's Toys for Keys Kids.

As always, Sombrero Country Club & Staff did a great job; the food was fabulous and Sir Cedric kept us entertained throughout the evening.

Thank you again for everyone's hard work and success. See photos on page 7.

Next General Meeting

The Florida Keys Contractors Association will hold its next General Meeting Tuesday, January 20, 2009 at noon, at Sombrero Country Club in Marathon.

HOT TOPIC SEWERS

Meet our State Representative, Ron Saunders who will update us on the sewers and other issues as well as what he is trying to do to get an extension due to lack of money and how this may affect the building industry.

Come out and meet Paul Kruger and Robert

Kirby, Enforcement Section, U.S. Army, Corps of Engineers where they will discuss the Enforcement program's general goals of 1) assuring compliance with the Department of the Army's permits, illegal work, fines, penalties and 2) desire to maintain a level playing field for all in the Keys. They are doing some things differently in Monroe related to minor permits, that he will touch on.

There will be a soup, salad, sandwich buffet available for purchase. If you have any questions, please do not hesitate to call 743-9409.

New Members Welcome

We welcome all new members into our organization by acknowledging them in our newsletter with a brief description of what services and products they offer.

This month we welcome Floor Specialist Tile/Marble Contractors, Inc. , Carey and Knuth Electrical Contractors, Inc., and New Ventures of the Florida Keys, LLC.

Floor Specialist Tile / Marble Contractors, Inc.

Roland Stuart and Efrain Marin are the owners. From 1991 to 2000, Floor Specialist has been designing and installing all types of tile and marble. In 2000 we opened a granite fabrication warehouse. We fabricate and install granite, marble, zodiaq, travertine, semiprecious, and enviroglas stones.

Our Mission is to provide top - quality interior and exterior residential and commercial installation and fabrication services of tile and granite. All of our fabrication is being done on location in Marathon - a service that all of our customers appreciate.

Our office / warehouse is located at 935-10th Street Gulf, Marathon. Phone 305-289- 8763, Fax 305-289-8764, e-mail: SGran-Fab@aol.com.

Carey & Knuth Electrical Contractors, Inc.

Owners / Officers Background:

Charles E. Carey, President. Resident of Florida since 1973 and has been a Resident of Monroe County since 1988. State Certified Electrical Contractor, License #EC0000609. Gregory M, Knuth, Secretary/Treasurer. Resident of Florida since birth. Resides in Palm Beach County. State Certified Electrical Contractor, License #EC0001418.

Chuck & Greg worked for Rigsby Electric from 1973 to 1981. Upon Mr. Rigsby's retirement in August of 1981 they purchased the company and all the assets, thus starting Carey & Knuth Electrical Contractors, Inc. Since incorporating, Carey & Knuth have been involved in all phases of electrical construction, from high-rise buildings and medical facilities to entire subdivisions, with houses ranging from 3,000 square feet to over 20,000 square feet.

In order to stay abreast of the ever changing industry, the Owners, Superintendents and all of the Journeymen employed by the company regularly attend classes for continuing education as mandated by the DPR and the Electrical Contractor Licensing Board.

New Ventures of the Florida Keys, LLC

Letter From Our New President

As the New Year is upon us, we hope that all our members have had a happy and healthy Holiday season, and that Santa was good to all.

This new year comes with a few changes within our Association. Jeff Ryder has decided to step down as a member of the Board of Directors. We appreciate his dedicated service as a longtime Director and look forward to Jeff still being an active member of the FKCA. Thank you Jeff for all your work.

Another big change is that our President, Rudy Krause, has taken a position on the Contractors Examining Board with Monroe County. As a member of the CEB board Rudy will not be able to act as President of the FKCA. Rudy's tireless efforts, unstoppable enthusiasm and unending dedication to the FKCA will surely be missed. Our Association under the guidance of Rudy Krause has gained tremendous clout within the South Florida building community. We wish him much success in his new endeavor as a member of the CEB board and look forward to seeing him at our General Membership meetings.

Being appointed by the Board of Directors as the new President of the FKCA is a great honor. I only hope that I can live up to the high standards of achievement that has been set by my predecessor. As in the past, my door is always open to our members for any assistance in any contracting issues that you may have. I would like to thank the Board of Directors for the confidence that they have in me to act as President of the FKCA, also a big thank you to Brenda McNalley for staying on as the Assistant to the President and the Board of Directors. We would not be able to fulfill our duties without her endless service.

The Board of Directors would like to wish all of our members a happy, healthy, safe and prosperous New Year and a successful 2009.

Respectfully,

Chris Gratton, President
Florida Keys Contractors Association

THERE'S NO "I" IN TEAM! *Coming Together in the Workplace*

You've probably already heard the anecdote "there's no 'I' in team," probably back in grade school when playing a game of dodge ball. Well, this lesson does not stop at age 10—it is just as important to work as a team in a workplace setting as it was back then.

It is even more important to act as a united team when it concerns everyone's safety. A staff that pulls together can safely accomplish whatever they set out to do. To be a team player:

Ask for assistance. By seeking help from others, you are reducing the risk of accidents by not trying to do something on your own.

Look out for other coworkers at all times and they will do the same for you.

Analyze near-accidents carefully so similar incidents do not occur in the future.

Share your concerns and suggestions with coworkers and your supervisor, and encourage others to do the same.

Whew! That Was a Close Call! The Hidden Meaning in Near-Misses

Have you ever had to slam on your brakes to avoid hitting the car

in front of you or catch your balance right before you took a tumble on an icy patch? These are certainly close calls, telling you to wake up and pay attention to your surroundings.

Like the scenarios above, close calls or near-misses on the job should be converted into safety precautions; they are a big red flag that something is wrong, such as a machine is malfunctioning, stock is not stacked adequately or someone has done something unsafe.

Employees just like you can handle these instances in a way that turns near-misses into learning experiences and prevents accidents from occurring.

Think safety and take concern when near-misses occur. Correct the situation, remove the hazards that caused the near accident, and take the time to discuss the hazard and solution with your coworkers and supervisor.

Did You Know

The Stanley Cup is the only trophy in professional sports that is passed along from player to player during the summer that the team wins it. Talk about being true comrades in addition to team members!
